AHMEDABAD: Directorate of Revenue Intelligence (DRI) has seized electronic goods, mobile accessories, branded shoes and watches and e-Cigarettes worth Rs.80 Crores. The goods were being smuggled by mis-declaring the goods as garment accessories and ladies' footwear with a declared value of 1.5 crores.

DRI Official said “A specific intelligence was developed by officers of DRI that import consignments originating from China are mis-declared as garment accessories and ladies’ footwear and are likely to contain high-end electronic branded goods. The Consignments were being sought to be cleared through SEZ route.”

“6 suspect containers were identified for the purpose of examination. During examination of the said containers, DRI recovered 33138 pcs of Apple AirPods/batteries 4800 E-cigarettes, 7.11 lakh pieces of mobile/electronic goods/accessories (Mobile batteries/wireless kits, laptops batteries, etc), 29077 pcs of branded bags, shoes, and cosmetics, 53385 pcs of branded watches, 58927 pcs of Automobile parts (Mudguard, LED lamps, etc) concealed in the import consignment,” he added.
