On 23/05/2026 morning, as part of the ongoing special vehicle checking drive, a team of Mungiakami Police Station led by the Officer-in-Charge conducted naka checking at the 41 Mile area.

During the operation, police intercepted a suspicious vehicle and recovered 21 cartons of suspected Burmese cigarettes of different brands containing approximately 2,10,000 cigarette sticks. As the occupants failed to produce valid documents related to the consignment, the cigarettes were seized after observing all legal formalities.

Two persons were detained, and the seized contraband along with the detainees were handed over to the Customs Department, Teliamura for further legal action.
