Three held with over 12,000 prohibited imported cigarettes in northeast Delhi

NEW DELHI: (Aug 5) Delhi Police has arrested three men and seized over 12,000 prohibited imported cigarettes, allegedly being supplied illegally in northeast Delhi, an officer said on Wednesday.

Acting on information about the delivery of prohibited imported cigarettes in the Karawal Nagar area, a team laid a trap near Nala Road in Mahalaxmi Vihar on Tuesday evening, police said.

Around 4.30 pm, three men arrived on a motorcycle, with two of them carrying gunny bags, and waited for the intended recipient of the consignment. When no one turned up, they attempted to leave but were intercepted and apprehended by the police team, a senior officer said.
